

Our Climate Control division specialises in three main areas; Spot Cooling, Comfort Cooling and Process Cooling.

These areas contain a wide range of equipment including split & package air conditioning units, chillers, air-handlers, cooling towers, dehumidifiers, heaters and ventilation equipment.

In addition, the climate control range also offers:

- Free site survey
- HVAC design
- Build solution
- Installation & commissioning
- Service, maintenance & health checks

CLIMATE CONTROL RENTAL SOLUTIONS

Enabling operational efficiency through equipment rental and lease solutions
