

Material Handling

Forklift

Equipment Overview

Our range of Forklift trucks are high quality, robust and reliable to endure the tough conditions on all O&G sites without compromising on performance and safety. Our fleet is extensive which ensures the most appropriate product for the job in hand is available to hire, wherever you are.

We offer Forklifts with various capacities as per application with the following:

- Low effort hydrostatic power steering.
- Low open foot step with traction plate
- Safety features including tilt lock valve and gas springs with automatic lock.
- Operator Presence System to shut hydraulics down when operator leaves seat.
- Side Shifter to hydraulically move the fork carriage to either side using control lever.
